## CONGRATULATIONS, AMIYAH!

Gathering Volumes Bookstore in Perrysburg is sponsoring the **NORTHWEST OHIO TEEN BOOK FESTIVAL** April 23, 2022 at Rossford Junior/Senior High School. For the event Gathering Volumes had a bookmark contest where students could enter their bookmark design and then possibly win an author visit to their school. There were three winners and Raymer student, **Amiyah Shabazz**, was one of the winners! She said she saw other students drawing very intricate designs so she decided to go simple with a direct message. Because Amiyah won she was able to research a list of authors and then pick which author she would like to have visit Raymer. Amiyah picked author Kosoko Jackson, who will also be presenting at the book festival April 23.

**Way to go, Amiyah!**

### Your Health—Nurse Heather Keller

Dear Parents,

The Ohio Department of Health has revised the requirements for **entry into 7<sup>th</sup> Grade**. As of 2016/2017, **ALL 7<sup>th</sup> Grade students** will be required to receive a *Tdap Booster Vaccine & Meningitis Vaccine*. **All 7<sup>th</sup> Grade students will need these vaccines.**

In order for students to be accepted into **7<sup>th</sup> Grade**, students must present evidence that they have received these vaccines—a *shot record from the doctor's office or health department will meet the necessary requirement.*

The Shots 4 Tots program offers immunizations for children.

### PARENT QUIZ From: HELPING CHILDREN LEARN – Issue 2022

Are you forging a school connection? Studies consistently show that when families and schools work together, students learn more and do better in school. Are you an active partner in your child's education? Answer **YES** or **NO** to the questions below:

1. **Have you talked** with your child's teacher at least once this year?
2. **Do you review** information and receive from the school and ask questions if something is unclear?
3. **Do you make** timely attendance a priority, and whelp your child start each day well-rested and ready to learn?
4. **Do you discuss** why school matters with your child, and say that you think your child will be a successful student?
5. **Do you monitor** your child's effort and progress and ask the teacher how to help?

*How well are you doing?*

More **YES** answers mean you are building an important bridge between home and school. **For each NO, try that idea.**
