Welcome Back to School ~ Raymer Students!

Raymer Families—

Welcome to the 2022-2023 school year! We hope this summer has been enjoyable for our families and all found time to do something that was personally enriching.

At Raymer, we want our school to be a “gateway to learning.” From the moments our students walk in our doors, we are committed to engaging students through relevant lessons, the use of technology, and exciting programming. However, school is not something that just happens within the walls of our building. This is where **you** come in!

We need our Raymer parents and guardians to encourage their students to read 20 minutes nightly, check-in with homework completion, and keep the channels of communication open with the classroom teacher. It is by working together our students can reach new heights and make this the best school year yet.

We have a great Raymer community here on the East Side and I look forward to greeting you at our building throughout the year. For the latest updates, please “like” our official Facebook page at “**Raymer Rams PBIS.**”

Warm Regards,

Mrs. Ferguson, Raymer Principal
