Dear TPS Kindergarten Families,

It's getting to be that time of year – the time when parents begin registering their child(ren) for kindergarten.

To help our incoming families prepare for the 2023-2024 school year, Toledo Public Schools is hosting a kindergarten registration event on Thursday, March 30, from 5 – 7 p.m. and Friday, March 31, from 9 to 11 a.m, and from 12:30 to 3 p.m. The intent of this event is to allow incoming families to visit their neighborhood school and to meet our Kindergarten teachers and administrators.

In order to do this, our Kindergarten teachers will need to be available to greet new families. Therefore, there will be **NO KINDERGARTEN CLASSES on Friday, March 31.** All other grades will have regularly scheduled classes.

Please mark your calendars and make alternate arrangements for your child on Friday, March 31. We appreciate you changing your child's schedule on this day in order to accommodate new TPS Proud families.

Sincerely,

Ann Newton

A Note to Parents

From Priscilla Lynch Ph.D., New York University

Reading Aloud with Your Child...

Research shows that reading books aloud is the single most valuable support parents can provide in helping children learn to read.

- Be a ham! The more enthusiasm you display, the more your child will enjoy the book.
- Run your finger underneath the words as you read to signal that the print carries the story.
- Leave time for examining the illustrations more closely; encourage your child to find things in the pictures.
- Invite your youngster to join in whenever there's a repeated phrase in the text
- Link up events in the book with similar events in your child's life.
- If your child asks a question, stop and answer it. The book can be a means to learning more about your child's thoughts.
