ARRIVAL & DISMISSAL

We encourage students to walk to and from school for their health and the environment. Please remember we are an elementary school. Patience at arrival and most especially, dismissal is encouraged & appreciated!

Please remind your student that he/she should ALWAYS cross the street at a corner and only cross when the light indicates, "walk." Also, remind students to make sure cars are stopped before walking with the light.

Students should be dressed to brave the elements ~ wind, snow, rain and cold. Additionally, students go outside daily for recess so proper clothing is essential.

Arrival:

As school doors/ hallway access is not open until 8:45 a.m. (breakfast at 8:25 a.m.), students should not arrive early as they will be waiting outside until the bell rings. Your child should be independent enough to enter the building and go to his/her classroom alone. (An exception is made for Kindergarten for the first few weeks of school.) Staff members are stationed around the building to assist students as needed. Parents are not to walk their student to the classroom in the morning. Teachers are instructed to NOT hold parent-teacher conferences in the morning as they have students to supervise and the school day to prepare for. Your understanding with this is appreciated. Students are considered tardy if they are not in their room at 9:00 a.m. BREAKFAST is not mandatory, but is STRONGLY ENCOURAGED. Breakfast is FREE for all Raymer students.

Dismissal:

Dismissal is at 3:15 p.m. for grades PreK-6, 3:20 p.m. for grades 7 & 8. Parents are asked to wait outside for their student(s). The end of the day at an elementary school tends to become very busy. If your child needs to be released early, please do so before 3:00 p.m. (and DO NOT do so on a regular basis as this goes against O.R.C. compulsory attendance laws). Please make sure your child knows where you will be meeting. If your plans change from the normal procedures, please notify the teacher via note/ agenda book; call the school office ONLY in the event of an emergency. Students MUST be picked up by 3:20 p.m. as there is no supervision after 3:20 p.m.

ATTENDANCE

Compulsory Attendance:

All educable children between the ages of six and eighteen are compelled under Ohio law to attend school unless properly excused. In accordance with this and other Ohio law and the Ohio Board of Education Standards (cited below), the following policy prescribes the manner in which any child may be excused for past absence from school for good and sufficient reasons.

The following reasons are considered **EXCUSED** for elementary students by the State of Ohio:

- 1. Personal Illness:** Certification from a physician is required if student misses **more than 10 days** a school year;
- 2. Quarantine of the Home:** Notice by city, county, or state public health officials;
- 3. Death of an Immediate Relative:** **Three day limit** unless reasonable cause has been shown for a longer absence;

4. Observance of Religious Holidays

5. Emergency set of circumstances which in the judgment of Superintendent of schools, constitutes a good and sufficient cause of absence from school. Such circumstance would include absence due to weather, other acts of God and labor stoppage.

6. Other circumstance- Includes immunization or measles exclusion, dental and medical appointment, and public performance (school sponsored) during the school day may be excused by the principal.

***excused absences are still considered absences when considering 'perfect attendance'*

UNEXCUSED Absence:

Unexcused absences are absences that do not meet the categories described above. Vacations outside of the school calendar are unexcused absences.

Excessive Absence:

Students with excessive excused and unexcused absences shall be so identified and referred to the appropriate school personnel for a parent conference to complete an Attendance Intervention Plan (AIP).

Reporting Absences:

In accordance with The Missing Children Act (April, 1985) parents are required to contact the school whenever a student is going to be absent from school. Call the school **(419-671-7651)** to report that your student will not be in attendance. When you call, please speak slowly and clearly. Include your name, your child's name, your child's teacher's name, the date, and the reason for the absence.

If the school does not receive a call and/or note upon your child's return to school, the absence will be unexcused. Please send in a note and any medical documentation with your child upon their return to school. More than 10 absences requires a doctor's note.

Once a student has met the threshold of habitually truant the school will form an Attendance Intervention Plan (AIP) that should include the parent and staff members familiar with the student.

Excessive truancy = 38 hours (6 days) a month excused/unexcused

65 hours (10 days) a year excused/unexcused

Habitual Truancy = 30 consecutive hrs. (5 consecutive days)

42 hours in a month unexcused

72 hours in a year unexcused

Make Up Work:

If the student, confined at home for a short period of time, is physically able to do some schoolwork, please make arrangements with his/her teacher. Any student who is suspended or expelled shall be allowed to make up all work. If this work is unable to be made up due to labs etc. then the work cannot be counted against the student and the student shall be held harmless. Please give the teacher at least ONE DAY'S NOTICE IN ORDER TO PREPARE WORK.

Early Dismissal:

Please attempt to schedule all appointments outside of the school day. We know this is not always possible, therefore, if a student must leave the building during the school day for any reason, the person picking up the child must come into the office to sign the student out of the building.

- **Please be prepared to show a picture ID when picking up the child.**
- Please make sure other authorized persons know to bring a picture ID.
- Please write a note to the teacher if your student will need to leave early.
- Office personnel will call the student to the office from the classroom when the parent or designee ARRIVES to the office. DO NOT go to the classroom to pick up your student.
- Students will only be released to the parent or other authorized people on the emergency medical card.
- Please know that early dismissals negatively affect your child's attendance; and impacts "perfect attendance."
- No student will be allowed to leave the building without this procedure being followed.
- **Children cannot be picked up after 3:00 p.m. during the school day.**

Dental and other Medical Appointments:

Try to make appointments outside the school day. When impossible to make appointments outside the school day, students must bring a note from home stating the time of the appointment and the time the parent wishes to pick him/her up. The absence will be excused upon return with a doctor's/dentist's slip to verify the appointment. Students are to be signed out in the office before leaving the building. (See procedure for Early Dismissal)

Tardy to School:

In accordance with O.R.C. and TPS Board Policy, students must be to school on time (in class at 9:00 a.m.). The acceptable excused absence criteria apply to tardy to school infractions. The progressive discipline policy for unexcused tardies will be followed. Possible discipline includes: Loss of Recess, Lunch Detention, Before/After School Detention, In-School Suspension, and Loss of Special Activities.

BULLYING

Bullying is defined as intentional written, verbal or physical act that a student has exhibited toward another particular student more than once. The behavior causes mental or physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student, or is violence within a dating relationship. Bullying occurs where there is a power imbalance, where one child has a hard time defending himself/herself. Bullying is a form of victimization.

Bullying is:

- Intentional, on purpose
- Persistent, ongoing
- Main goal is to inflict harm or fear over another individual, to gain control or power over others
- Can be done physically, verbally, socially (emotional), or electronically
- Has profound impacts on the school climate and safety

Bully Reporting System: Bullying must be reported for the school to address the problem. Report Forms can be obtained from the office or school administrators. The formal investigation led by the school counselor begins once the completed report is returned to the office or a verbal report is made to the school counselor, or another school administrator. If a child believes he/she is being bullied it is his/her responsibility to report the repeated incidents to an administrator. **The school cannot address the problem if no one knows about the problem.** The form is also on the TPS website under the "students and parents" tab.

<https://tps.schools.wufoo.com/forms/bullyingharassment-incident-report/>

BUSES

Yellow Bus Transportation:

Transportation is provided only to those students that live more than one mile from Raymer Elementary; or for students on IEPs as needed.

Transportation is NOT provided for approved Out of District students. Parents are notified late in August as to pick up/drop off times and bus routes.

TPS Transportation defines bus rules and expectations. Appropriate behavior is expected for the safety of all children and violations will be handled by the school office if the driver refers the situation by way of a bus referral for misconduct. Failure to comply with bus rules can result in suspension from the bus and/ or school discipline. Parents can call transportation 419-671-8541 to check on busses and/or seek information.

CLASSROOM REQUESTS

Teachers spend a considerable amount of time when creating class lists for the next school year. When preparing the lists, teachers look closely at academic abilities, special learning considerations and equal gender ratios for each classroom. A great deal of time is devoted to class assignments in order to provide a positive learning environment for the students. If parents desire to have a certain staff member for your child's teacher, parents may request a particular teacher for students in the spring of each school year. The request must state a valid educational reason for the request, be dated, signed and turned into the office by the **first Friday of May**. Each properly completed request will be considered. No one is automatically guaranteed/granted a request. Toledo Public School policy must be adhered to when completing class lists.

COMMUNICATION

We believe it is very important to have a strong line of communication between school and home. If you ever have any questions or concerns, please do not hesitate to contact the school to speak to the principal, Mrs. Ferguson (bferguso@tps.org), or the assistant principal, Mrs. Zervas (mzervas@tps.org). **If you wish to contact the staff via email, please utilize the directory at www.tps.org.**

Classroom/Teacher:

We make every attempt to have an "open door" policy at Raymer Elementary. However, in order to ensure that all students are receiving the maximum amount of educational experience we can provide, it is not always possible to stop by to visit the classroom or assist the teacher. Please understand that this creates an interruption to the classroom and the educational environment. As a reminder, when visiting a classroom, all guests must sign in at the main office.

As the teacher is responsible for ***all*** of the children in the class, it is very difficult to have a conversation with a parent and supervise the students at the same time. If you would like to speak or have a conference with your child's teacher regarding your student, please write a note, call, or email your child's teachers to do so. Please do not attempt to have this type of conversation during student arrival as the teacher needs to be focused on the safety of the students. Please be considerate of our teachers' time/ family obligations (teachers are off-duty at 3:30 p.m.).

*Parents: please be aware that the internet TPS security measures may place your email into a SPAM inbox. In the event that you do not receive a reply in a timely manner, please write a note/ call the school for follow up.

COMPUTERS/CHROMEBOOKS

All students at Raymer have access to technology for use in the classroom and for researching information. TPS firmly believes that the valuable information and interaction available on the internet is consistent with our district's educational goals. The internet is available to our students and teachers. TPS has taken precautions to restrict access to controversial materials by providing an internet filtering system. However, this does not excuse students from searching for inappropriate or non-educational sites; accessing inappropriate music, pictures, etc.

All students must have an internet network agreement signed by a parent/guardian on file.

U.S. Const. Art. I, Section

Adopted May 26, 2015

The District recognizes the importance of technology and the educational benefits available through the use of technology. The use of portable electronic devices in the classroom can add educational value when such devices deliver content and extend, enhance or reinforce the student learning process. **Classroom teachers determine the appropriateness of in-class use of electronic devices, consistent with district instructional objectives, and with approval of the appropriate administrator.**

All devices must be used in a responsible and legal manner. Users using their own devices are subject to Board policies and procedures, including but not limited to the student code of conduct and to the applicable law. Failure to adhere to these guidelines may result in the revocation of the privilege to use electronic devices in the classroom and/or disciplinary action as appropriate.

Students are permitted to use approved electronic devices for educational purposes under the direction of a classroom teacher and appropriate administrator.

The District reserves the right to temporarily confiscate and inspect a student's personal electronic device if there is reason to believe the student has violated board policies, regulations, school rules, or has engaged in other misconduct while using their personal electronic device. If a staff member confiscates a student's device, he or she will not conduct the search of the phone, but must immediately turn the phone over to the administrator responsible for conducting a search of the device. Any search will be conducted in compliance with board policies and applicable law. Any confiscated device will be returned to the student's parent.

FAMILY & SCHOOL COLLABORATIVE

The TPS Family & School Collaborative offers learning sessions created for families by families. To learn more, Parents can go to the TPS Website (www.tps.org) and look under "Students & Parents - click on "Family & School Collaborative."

Virtual Cafes are part of the Family & School Collaborative. The Virtual Cafes are meant to share resources in the community to benefit you and your family. These 20-minute sessions highlight a community agency and the services they offer. These are recorded and uploaded to social media for your viewing at any time. Recordings can be found on FaceBook @TPSfamilyandschool collaborative.

FIELD TRIPS and IN-SCHOOL EDUCATIONAL EXPERIENCES

Field trips and educational experiences are planned around specific educational objectives related to the school curriculum. Appropriate preparation and follow-up

to ensure maximum utilization of the experience for learning is expected. **School staff is expected to let parents/guardians know in advance the reasoning for a student to not participate in any school field trip. All expectations to attend the field trip must be placed in writing to the parent/guardian 2 weeks prior to the date of the trip. The parent/guardian must sign these expectations as acknowledgment of understanding. If a parent/guardian does not provide a signature, the student will not be allowed to attend the trip.**

Before deciding on any trip or educational experiences, the teacher, school principal and transformational leader will weigh anticipated educational outcomes against such factors as expenses, loss of class time, safety and availability of adequate supervision. The school must provide for adequate supervision. Please note, due to the nature of chaperoning and helping supervise students, younger children/siblings are not able to attend in order for you to give your group your full attention and enjoy the time with your child and his/her classmates. Emergency Medical Authorization forms must be on file in order to participate.

HEALTH INFORMATION

Emergency Medical Authorization Forms:

- Each child will be given an Emergency Medical form at the beginning of the school year.
- Please provide at least one other name and telephone number of a person we may contact in the case of an emergency. This form must be on file for your student to participate in field trips.
- Please notify the office immediately if there are any changes to your contact information.
- Failure to provide/ update this information will result in the safest decision for your student to be made by the Teacher/ Staff Member supervising the event.

Accidents:

A trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student. In such cases, it is especially crucial that the school has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable. Please be diligent in keeping the school's records for your child up-to-date.

Immunizations:

The State of Ohio law (ORC 3313.67 and 3313.671) requires the following immunizations for school attendance. In addition, Toledo Public Schools requires students to have a physical exam and a dental exam for school entry.

Students will be sent home when they have a temperature of 100 degrees or higher. Students need to remain at home until at least 24 hours fever free without medicine (Tylenol, Motrin, etc.).

IMMUNIZATIONS

If your child has lost an item, the lost and found is located in the cafeteria. Please remember to **label all** of your child's items so if they are misplaced they can be returned to their rightful owner.

MEDICATION

Over the counter (OTC) medications are not permitted in school. *This includes cough drops, eye drops, Neosporin, etc.* When a student is so ill that medication is required, parents should consider keeping the student home.

In special cases where students must take prescribed medication during the school day, school personnel may not administer it until the school has on file a Medication Dispensing Form provided by the Toledo Public Schools and signed by both the physician and the parent/guardian. A new form must be completed each school year. Prescribed medication must be received in the container in which it was dispensed, and parents/guardians must deliver the medicine to school.

Inform the nurse of all medications your child is taking at home as well as at school.

MONEY AND OTHER VALUABLE PROPERTY

Students are encouraged to leave all money and other valuable property at home. The School assumes no responsibility for the loss or theft of such articles.

NURSE

The nurse acts as the liaison between school, home, parents, and doctors. Inform the nurse about any medical conditions, including allergies or of any medications or changes in medications throughout the year. Inform the nurse of *all medications* your student is taking at home as well as at school. Nurse Heather is available daily from 8:45 a.m.-3:30 p.m.

PARENT PARTICIPATION

Raymer has a very active parent group that is looking forward to a productive year. Many opportunities are available for parents to get involved at Raymer Elementary. Positive parental involvement aids our students in many ways. Background checks must be completed and approved before you can volunteer at Raymer.

PARKING

It is imperative that all parking rules are followed in order to keep our students, staff, and other community members safe. Follow all posted traffic signs at the

school.

If there is a change in dismissal arrangements for a child, changes will be accepted ONLY in writing by a note, phone call, or a fax. Parents who are not having their children transported by yellow bus must notify the school AND Transportation (419-671-8541) of this change. If a child does not ride the bus for three consecutive days, the parent must call transportation to have them reinstated on the bus route.

Students should use the sidewalks and not cut through the parking lot on their way to and from school.

Bicycles, skateboards, wheeled transportation:

Students may lock-up bicycles at the bike rack in front of the building (at your own risk).

Students are asked to walk their bicycles or skateboards while on campus and while in student traffic during dismissal.

PHYSICAL EDUCATION

Each child is required to participate in gym activities. To insure his/her safety during classes, gym shoes are necessary. RESOLUTIONS

IN HONOR OF BLACK HISTORY MONTH THIS RESOLUTION REJECTS ALL FORMS OF DISCRIMINATION INCLUDING THOSE BASED ON HAIR TYPES AND HAIR STYLES WHEREAS, since the days of slavery, natural hair types and natural hair styles commonly associated with African-Americans have been the focus of intentional as well as unintended discrimination against those individuals, based on negative, lingering, cultural biases that frequently favor hair styles and hair types that more closely resemble Eurocentric hair types and hair styles; and WHEREAS, Toledo City Council voted on December 10, 2019 to amend the "discrimination prohibited" chapter of Toledo Municipal Code to include a prohibition against discrimination on the basis of natural hair types, hairstyles, and head wraps commonly associated with race, culture, or religion; and WHEREAS, the Toledo City School District has existing policies in place that prohibits all forms of discrimination including those based on natural hair types, hairstyles, and head wraps that are commonly associated with race, culture, or religion; and WHEREAS, the Board of Education of Toledo City School District is student-centered and wants no TPS student to be marginalized or discriminated against simply because of their hair style or texture. THEREFORE, BE IT RESOLVED that the Board of Education of the Toledo City School District supports the amendment to the nondiscrimination law passed by the Toledo City Council on December 10, 2019; and BE IT FURTHER RESOLVED that the Board of Education of the Toledo City School District hereby continues to reject all forms of discrimination, but specifically rejects race discrimination on the basis of natural hair types, hairstyles, and head wraps commonly associated with race, culture, or religion. The Board hereby finds and determines that all formal actions related to the adoption of this Resolution were taken in open meetings of this Board; and that all deliberations of this Board and of its committees, which resulted in formal action, were taken in meetings open to the public in full compliance with applicable law. 7. Once you are dismissed do not re-enter the building.

PBIS: *Be Respectful, Be Responsible, & Be Ready to Learn.*

Parties & Celebrations:

Excessive items (ie. Balloons, flowers) are not acceptable during class as this takes away from academic time. Any of these items will be kept in the office until the end of the day.

Please communicate with the Teacher before sending in treats. Please send items that are in individual portions and are individually wrapped.

Birthday celebrations must be cleared with the teacher prior to the day of the celebration. Birthday celebrations may not be held in the cafeteria.

School Deliveries:

Deliveries of flowers, balloons, singers, gifts, fast food/pizza etc. will not be permitted for students. Such deliveries will be refused.

SAFETY

Fire Drills/Evacuations:

The school will have at least six Emergency Evacuation Drills per year within the school hours. Specific signals and procedures have been established for all types of disaster drills, and safety areas have been designated. Teachers are equipped with instructions, and all drills will be practiced with students on a regular basis. The entire school will practice weather and security lockdowns. During these drills, no one will be allowed to enter or leave the school. Please be patient and understanding of this important rule. Your child's safety is our number one concern.

Dogs & Other Pets:

Please leave your dog and other pets at home during arrival & dismissal and other school related activities. Many students and adults are not comfortable around animals; or may have allergies.

SMOKING

Smoking is not permitted on school grounds.

SOLICITATION

Solicitation of or by any student, parent, or staff member on school property for any cause except those authorized by the Superintendent Office is strictly prohibited.

TELEPHONE USE (SCHOOL)

School telephones are for official school business and NOT for routine student use. Students need to know how they are getting home from school **before** they arrive each day. Do not tell your child to call home when they arrive at school to let you know they are here or to call home for a ride at the end of the day.

TITLE I***Parents Right to Know:***

As a parent/guardian with a student attending a Toledo Public School that receives Title I funds, you have the right to know the qualifications of your child's classroom teacher. The federal No Child Left Behind (NCLB) Act requires that any local school district receiving Title I funds must provide the following information to parents/guardians who ask about the professional qualifications of their child's classroom teacher.

VISITORS

All visitors must report to the office upon entering the building, sign-in, and obtain a visitor's pass. Bring any forgotten school items (gym shoes, lunches, etc.) directly to the office. Enter through the main doors (you may have to ring the buzzer on the brick wall to the far right). NEVER enter through any other door. NEVER ask a student/ teacher to open any other door for you. This is against Toledo Public Schools safety protocol.

Please remember that interruptions take away from your child's educational time. As students are only at school for a small part of the day, students cannot be called out of class or class interrupted for non-emergency items.

District Policy (KK) On Visitors To the Schools

To maintain the safety of students and staff and to ensure that no unauthorized persons enter buildings, all visitors must first report to the main office to receive authorization to visit. All visitors and employees must sign in and out. (Authorization is not needed for school programs, assemblies, graduation and athletic events.)

The Board encourages parents and other citizens of the District to visit classrooms to observe the work of the schools and to learn what the schools are doing. Visits must be scheduled with the teacher, in advance, to avoid any unnecessary disruption to classroom instruction or activities. To encourage visits, principals and teachers may make special arrangements for visits by parents on certain days and occasions, and extend to them a general invitation to observe classrooms at any reasonable time, provided their visits do not interrupt instruction. Visits must be arranged 24 hours in advance.

All participants and spectators of school programs, assemblies, graduations and athletic events are expected to abide by all applicable law, local ordinances, Board policies and District and building regulations pertaining to public conduct on District property.

School principals and their designees are authorized to take appropriate action to prevent and remove, if necessary, unauthorized persons from entering District buildings and loitering on the grounds.

VOLUNTEERING

Please make arrangements with the Teacher and /or Principal regarding an area that you are interested in assisting with.

- **Guidelines:**

All volunteers should sign into the volunteer/visitor book.

You may only go to the area indicated when signing in.

If you need to go somewhere else, please inquire in the office **prior** to going there.

Refrain from visiting classrooms unless invited.

Please refrain from personal conversations (including cell phone) in the hall as this distracts the students and the education process.

We teach our students to nod, smile, or do a quiet wave when they see someone they know. Please do this if you see your child or a familiar student.

District Policy (IICC) Regarding School Volunteers

The Board believes one of the greatest resources available may be found in the citizens of the community who have special knowledge and talents to contribute to the District. The use of citizens as volunteers within the school program enhances the educational process not only for students, but for the community as well.

Volunteers may provide additional support in the classroom, promote community-school cooperation in facilitating the learning process and provide for individuals who have expertise in various areas to be used as resource persons.

A volunteer is defined as anyone who is not employed by the District and comes into a school building for the expressed purpose of donating time and energy to benefit students. A volunteer will usually be interacting with students. Whenever a volunteer is on a school campus, the volunteer must wear, so that it is clearly visible, an identification badge. This badge is available in the main office of each school building.

Recruitment and selection of volunteers is done at the local building level. Interested individuals should contact the building principal or his/her designee. The interests and abilities of the volunteers are considered when making assignments.

Volunteers should not work with any student outside the presence of other students and adults. Volunteers may not displace any position in any job class covered by the Paraprofessional Agreement.

Accountability for the program should include accurate record keeping at the individual building level via a sign-in and sign-out volunteer log. This log includes the volunteer's name, type of services to be provided and hours contributed. School buildings keep on file and maintain, for a minimum of three years, individual volunteer logs.

District Policy (GBQ)

The District notifies current and prospective volunteers who have or will have unsupervised access to students on a regular basis that a criminal records check will be conducted.

WEATHER RELATED & OTHER EMERGENCY SITUATION

Emergency Procedures:

Fire and tornado drill instructions are posted in each room of the building and must be followed. Each drill shall be treated as if it were an actual emergency situation. Although speed is important in any such procedure, of greater importance is orderliness and the ability of all students to be given directions and proceed in an orderly manner. THERE MUST BE NO TALKING DURING A FIRE OR TORNADO DRILL.

In the event of a tornado, parents are asked not to call the building so the lines may be kept open. Parents are discouraged from coming to school to pick up children. However, by request, a child will be released ONLY to his parent. Parents are to go to the School Office and the child will be brought to them. **DO NOT GO TO THE STORM STATIONS TO GET YOUR CHILD!!**

The child pick-up procedure for weather or national emergencies will be as follows:

- Parents will enter the Main Office door. All other doors will be locked & secured.
- Parent/legal guardian will need to show proper ID and sign the child out.
- The child will be summoned to the office.

Emergency Evacuation:

Raymer Elementary has a site specific response plan in place in the rare event that it is necessary to evacuate the building.

- Students will be moved to a designated, secure location based upon our response plan. Students will remain there until the emergency situation is resolved.
- Students will **not** be released from the evacuation site.

School Closing and Delays for Inclement Weather:

Toledo Public Schools has a School Delay policy when the weather is severe. This policy will allow TPS to delay two hours instead of closing right away to see if weather conditions improve enough for students to come to school. A two-hour delay can change to a closing, so please keep watching the local news and listen to the radio.

When there is a two-hour delay, the schedule moves two hours forward. NO BREAKFAST, NO EHSO

- Doors will open at 10:45 a.m. and end at the usual time.
- The information can be heard by listening to local TV, radio stations, and social media.
- Do not call the school or drop off your student, as school personnel will not be in the building.
- It is a good idea to make childcare arrangements at the beginning of the year for delay situations so you are not caught off guard.

Severe Weather Procedures:

- **Tornado Watch**- Precautions will be taken at school, but children will be dismissed at scheduled times and instructed to go directly home.
- **Tornado Warning**- Stations have been established in the building for each classroom. All children will be kept in protected areas until an all clear is sounded even if it is past the regular dismissal time.
 - Parents are discouraged from coming to school to pick up their children for the safety of both you and your child.
 - Do not call the school. Telephone lines should be kept clear for emergency use.
